Dear Mr Hinchliffe
Thank you for your further email. Although due to parliamentary protocol it is inappropriate for me to contact Richmond Council about your individual case, I have now written to the Chief Executive of the London Borough of Richmond upon Thames to advise that this matter has been brought to my attention, and that I am seeking assurances that he will personally ensure that it is properly investigated.

I have also forwarded on your email to your own MP and asked that he take up your case.

Kind regards

Munira
